

# Tech Sales Portal: System Overview

---

## What It Is

Tech Sales Portal turns your field technicians into lead generators with zero friction. No apps. No logins. Just a simple QR code, a mobile form, and instant lead alerts to managers.

## How It Works

1. Technician scans a unique QR code at the job site.
2. A branded mobile form opens instantly (no login).
3. Tech submits the lead (e.g., upsell, issue, opportunity).
4. Manager receives real-time email alert.
5. Lead is logged in a live Google Sheets dashboard.

## What You Get

- Branded QR codes for your team
- Custom mobile lead form
- Live dashboard (Google Sheets)
- Email alerts to managers
- Onboarding in under 48 hours

## Plans & Pricing

- Starter: \$149/month
- Onboarding: \$2,000 value — your price: \$1,497

Includes: Setup, dashboard, branded QR codes, and manager alert routing.

## Why It Works

- No apps to install or manage
- Techs already on-site — tap into daily upsell potential
- Instant visibility for sales managers
- Proven inside multiple Terminix branches generating \$80K+ in leads/month
